

NCA Parent Panel

Choosing a High School for your Middle School Student

Middle School Parents:

Please join Mrs. Holly Leach, Dr. Benny Fong and a panel of parents who will share their experience in "Choosing a High School for Your Child".

We will have NCA PARENT representatives from King's High School, Archbishop Murphy High School, Everett High School, Glacier Peak High School and Running Start to answer provide general information regarding their decision making process and experience in choosing a private or public school. These schools are only 4 representatives of the 15 different schools our parents select for their graduates. It is just a 'sample' of the selection process parents have made and only serves as an example of the steps you may consider for your family.

Tuesday, October 3rd - 8:30-9:45am in A-2

8:35- Introduction and overview for the high school selection process

8:45- Glacier Peak Parent Representative

9:00- Kings High School Parent

9:10- Everett High School and Running Start Parent

9:25- Archbishop Murphy High School Parent

9:40- Questions

If you cannot attend, the handouts will be available upon request. High school representatives will be scheduled throughout the next four months. Parents and students are notified of these times through email and the middle school newsletter.

Please contact Mrs. Tammy Gimbel, Assistant to Superintendent with any questions.
