## The Northshore School of Arts and Enrichment (NSAE)

NSAE is a separate program from N.C.A.'s Summer Program and offers a great selection of after school classes throughout the school year as well as week long classes/sports camps all summer long. We also offer private and group tutoring/music lessons year round. Students registered in the Summer program may also register for Summer Enrichment classes. Students will be escorted from the Summer Program to their NSAE Enrichment class.

Children from our community are invited and are welcome to take these classes even if they are NOT enrolled at Northshore Christian Academy or attend the Summer Program.

### REGISTRATION

NCA is now using iClass Pro, a customer friendly online portal where you can view and sign up for NSAE Classes, securely pay online, and stay up to date on all information via the online portal.

- Select the “**Classes**” tab on the left
- Select “Programs” under Class Filters and Select Summer Enrichment Classes.

- **YOU ARE SELECTING CLASSES BASED ON YOUR CHILD’S GRADE IN THE FALL OF 2018**
- You can access your account at anytime to reference information about the classes you have enrolled your child in.

### REFUND POLICY

You will be notified if a class is full. Classes that do not meet the minimum enrollment requirement may be cancelled. Parents will have the opportunity to enroll their child into another class or receive a refund. There is no refund for a class once registration is received and the class maintains the original schedule.

### ARRIVAL

Please do not drop off your child on any day of class more than five minutes early. Teachers use this time to prep for their class and may be in and out of the classroom. We do not allow any child to be left unattended in a classroom.

### DISMISSAL

Students must be picked up in the classroom no later than 5 minutes past the end of class. If students are not picked up within 5 minutes of the end of class, they will be taken to the Academy office and will be charged \$10. **Note:** If your child is enrolled in the Summer Program, he/she will be taken to their designated NSAE class by a Summer staff member or Trisha Galindo. He/she will be taken back to the summer program by their instructor at the end of class.

### BRIDGE CARE

We have morning and afternoon camps with approximately one to one hour and a half between scheduled classes. We allow students to be checked into the Summer program between camps/classes. Parents will be billed on their NCA Account for this service. Extending Care Fees apply: \$7 per one hour and \$10 for 1.5 hours. Before/After Extended care is available from 3:30-6:00pm. Please give at least one week notice if you would like to use this service.
