

NCA Need to Know – June 11-15, 2018

All events below are [linked](#) to NCA Website pages providing full details & contacts.

Dear Parents

The school year is ending, and summer is in sight! I pray it has been a year of abundant growth, unique opportunities and memorable moments for your children! I hope you experienced a school community of learning and stretching, love and support, laughter and friendship. Our students plunge into their schooling with personality, potential, and pizzazz!

Our students had many new experiences throughout the year! New experiences include academic achievements, enrichment classes, music performances, sports teams, deep friendships and growing closer to God.

Proud to announce: Recently we received the NCA results in the regional Math Olympics competition. Eleven schools participated in this completion. Out of 60 top ribbons, 26 went to NCA students. 8 out of the 12 first place ribbons went to NCA students. Additionally, our 'all school' math MAP scores averaged in the 85% percentile. Congratulations students!

A parent survey was emailed to you this week. We highly value your feedback and great ideas for school improvement. Please take a moment to reflect and comment on your family's experience.

With great joy,

Holly Leach
Superintendent
