

NCA Need to Know – March 19-23, 2018

All events below are [linked to NCA Website pages](#) providing full details & contacts.

Dear Parents,

Every grade has a service project planned for the year. It may be collecting canned goods, writing letters to serviceman, building hygiene kits for the homeless or collecting school supplies for low income children. This year, our “Oklahoma” Musical cast performs a free matinee for local senior citizens, homeschool children, and other community groups who may not always be able to enjoy such a performance.

Service learning has a profound impact on the giver and receiver. It is like the miracles in the bible like the loaves and fishes or the story of the widow’s mite: the smallest of gifts can make a profound difference! It expands our awareness of other’s needs and magnifies our potential to influence our world for good!

“Lord Jesus, we pray that our children will not withhold good whenever it is in their power to act. Help them notice the opportunities you give them every day to spread your love to those around them.” From Proverbs 3:27.

God’s mercies are new every morning.

[Virtue Media – NCA launches the Protect Young Eyes series](#)

Recently, NCA has decided to use Virtue in Media to educate kids in grades K-8 about how to honor God with technology. We believe that technology education must be an integral part of today's teaching curriculum. Virtue in Media was created by Protect Young Eyes, an organization that speaks to parents and kids around the country. The content is grounded in Holy Scripture and includes education about the latest apps, devices, and technology trends impacting kids today.

Virtue in Media was created by Protect Young Eyes, which is a completely free website for parents with information about the latest apps, devices, and digital trends. Visit: [Protect Young Eyes Digital Resources for Parents](#)
